

PLEASE DO NOT PREEMPT INDIANA'S TELEPHONE PRIVACY LAW! Prior to Indiana's law going into effect, we would find hourly calls throughout the day from unknown numbers on our caller I.D. machine (bumping off important numbers we wanted to keep), and the dinnertime calls were most obnoxious and intruding. Now, we are able to relax after a hard day at work without interruption (except for calls from family and friends). WE DO NOT wish to order, subscribe, purchase, comment, "hold for the next available operator," or anything else by telephone. DON'T CALL US; WE'LL CALL YOU!!!
